

Why Habitat?

100% of your sponsorship goes toward our building program.

- When you designate your sponsorship to our construction program, 100% of your gift directly supports new house construction and the repair of existing homes.

The community benefits from your generosity.

- Homeowner mortgage payments annually generate more than \$750K in revenue and are recycled back into Habitat's building programs.
- Habitat spends \$3.3M annually in the local economy purchasing goods and services.
- Annually, Habitat homeowners and Asheville Area Habitat pay \$294K in property taxes.

Your gift has generational impact.

- Habitat homeownership fosters long-term financial stability. Through equity building, Habitat homeowners have the opportunity to plan and pay for higher education, retirement and other important fiscal goals.
- The stable and healthy environment of a Habitat home improves chronic health conditions like asthma, enhances educational performance, and fosters community.

Mission

Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities and hope.

Vision

A world where everyone has a decent place to live.

Values

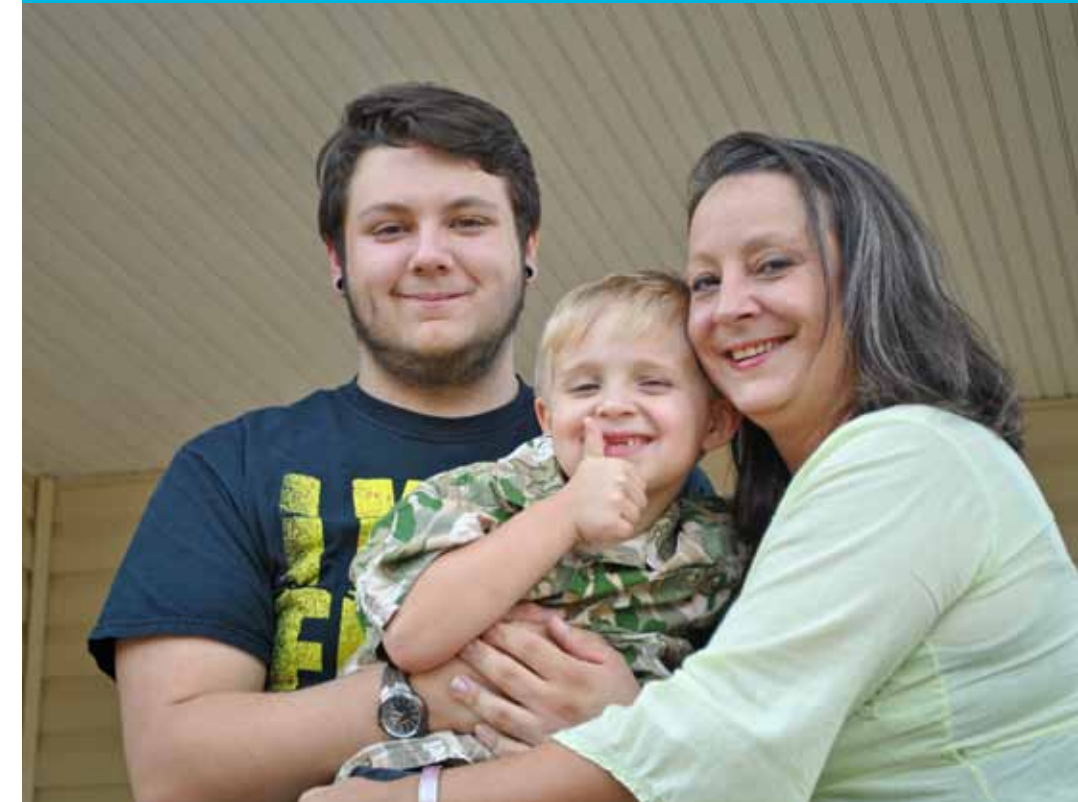

Collaboration
Opportunity
Dignity
Empowerment
