INDEPENDENT AUDITORS' REPORT

To the Board of Directors Asheville Area Habitat for Humanity, Inc. Asheville, North Carolina

Opinion

We have audited the accompanying financial statements of Asheville Area Habitat for Humanity, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2023, and the related statements of activities, changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Asheville Area Habitat for Humanity, Inc. as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibility under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Asheville Area Habitat for Humanity, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Prior Period Financial Statements

The financial statements for the year ended June 30, 2022 were audited by us in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. We expressed an unmodified opinion on those financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Asheville Area Habitat for Humanity, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Asheville Area Habitat for Humanity, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Asheville Area Habitat for Humanity, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated October 10, 2023 on our consideration of the Asheville Area Habitat for Humanity, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Asheville Area Habitat for Humanity, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Asheville Area Habitat for Humanity, Inc.'s internal control over financial reporting and compliance.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Asheville Area Habitat for Humanity, Inc. ("the Organization") is a nonprofit ministry that fosters community by partnering with qualified families and individuals to build new houses and preserve existing homes. Its vision is to provide a safe and decent home for every family. The Organization has been building houses and changing lives in Buncombe County since 1983. In December, 2021 the organization expanded its outreach into neighboring Madison County through a merger with the Madison County Habitat for Humanity affiliate. The combined organization, with community members from the Madison County Habitat for Humanity Board of Directors and volunteers already in the community, will be able to expand the work of building and repairing homes in a historically underserved area. The joined organization is completing its first home by mid-year and has begun the infrastructure development on a second home adjacent to the first. The Home Repair team also completed its first project in Madison County and expects to complete 5 in the year ended June 30, 2024.

The Organization's primary activity is affordable new home construction. In conjunction with this activity, the Organization originates affordable mortgage loans and finances these for the income-qualified homebuyers who purchase these new homes. Another important part of the Organization's work is land acquisition and development which provides the building lots for its new home construction program. During the year ended June 30, 2023, the Organization spent \$100,000 on the acquisition of land for future development in the Shiloh community of Asheville and \$1,092,633 combined for land development in the new Glenn Bridge community of Arden and in the second phase of the New Height community in West Asheville. During the year ended June 30, 2022, the Organization spent \$122,277 on the acquisition of land for future development and \$1,012,022 for land development.

Another of the Organization's activities is its home repair program in which it provides affordable home repairs to income-qualified homeowners. The program changed pin 2022 by eliminating the requirement of a promissory note for the cost of the project and instead implemented an up-front fee program which is based on the homeowners' income. The additional costs of the project are supported by program revenues and public affordable housing sources.

Another important part of the Organization's activities is its ReStore (thrift store) operation which provides support for its other activities. The Organization currently operates two ReStores.

The Organization receives its support principally through contributions, grants, and net proceeds from its ReStore operations.

In March of 2022, the Organization embarked on a pilot program under the direction of the Board of Directors to finance a mortgage through a 3rd-Party lending program with First Bank. Through this program, First Bank writes and holds the homeowner's mortgage at a 2% rate while maintaining the homeowner's maximum allowed loan payment under the Organization's mortgage program. The Organization received an up-front, discounted payment from First Bank. This program provides a potential new source of operating revenue that can be instrumental in funding the early costs of home building and land development. Due to the success of the first loan of this nature, the Organization expanded this program in 2023 with qualified home buyers.

Basis of Accounting

The Organization prepares its financial statements in accordance with accounting principles generally accepted in the United States of America which involves the application of accrual accounting; consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023 and 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES [cont'd]

Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

Cash consists of funds held in demand deposits with banks. The Organization considers all highly liquid investments with maturities of three months or less to be cash equivalents. Cash and investment balances exceeded federally insured amounts by \$2,720,029 and \$7,634,730 as of June 30, 2023 and 2022, respectively.

Restricted Cash

Restricted cash consists of amounts held in escrow to pay property taxes and insurance for homeowners in the amount of \$314,088 and \$255,314 for the years ended June 30, 2023 and 2022, respectively. Restricted cash also includes unspent grant funds with donor restriction in the amount of \$1,126,943 and \$1,094,914 for the year ended June 30, 2023 and 2022, respectively. In addition, there was restricted cash under irrevocable standby letters of credit which secure a local municipality for completion of storm water facilities at affordable home subdivisions that the Organization is developing in the amount of \$707,560 and \$191,944 for the years ended June 30, 2023 and 2022, respectively.

Prepaid Expenses

Prepaid expenses consist primarily of prepaid insurance premiums.

Promises to Give

Unconditional promises to give are recognized as revenues in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

Investments

Investments purchased by the Organization are initially recorded at their cost, and donated investments are recorded at fair value on the date they are received as a donation. Endowment investments are adjusted to fair values as of the date of the statement of financial position. Unrealized gains and losses are included in the changes in net assets.

Fair Value Measurement

Fair value is the price that would be received to sell an asset or the price that would be paid to transfer a liability in an orderly transaction between market participants at the measurement date. Certain valuation techniques are used to measure fair value. There are three broad levels as follows:

Level 1 – (the highest level) inputs are based on quoted prices in active markets for identical assets or liabilities that the Organization has the ability to access at the measurement date. For example, securities traded in an active market, such as the New York Stock Exchange, are valued using Level 1 inputs.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023 and 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES [cont'd]

Fair Value Measurement [cont'd]

Level 2 – inputs are observable inputs other than quoted prices, either directly or indirectly through corroboration with observable market data. If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term.

Level 3 – inputs are unobservable inputs for the asset or liability, meaning the inputs reflect the Organization's own assumptions about the assumptions market participants would use in pricing the asset or liability, including inputs related to risk, which have been developed based on the best information available in the circumstances.

Property and Equipment

The Organization capitalizes all property and equipment with a cost, if purchased, or fair value, if donated, of \$5,000 or more. Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor and reclassifies net assets with donor restrictions to net assets without donor restrictions at that time. Property and equipment are depreciated using the straight-line method over the assets' estimated useful lives, ranging from 5 to 40 years for leasehold improvements and buildings, 5 to 10 years for equipment and furniture, and 2 to 5 years for vehicles.

Net Assets

Net assets are classified based on the existence or absence of donor-imposed restrictions. The following is a description of each class:

Without donor restrictions – Net assets without donor restrictions include all net assets which are not restricted and are available for use in the performance of the activities of the Organization. If the Board of Directors specifies a purpose where none has been stated by the original donor, such funds are classified as designated, without donor restrictions.

With donor restrictions – Net assets with donor restrictions consist of contributions subject to donorimposed stipulations that they be maintained by the Organization. Generally, the donors of these assets would permit the Organization to use all, or part of the income earned on the related investments for general or specific purposes.

Contributions and Grants

Contributions and grants are recognized as received in accordance with ASC 958-605. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When a restriction expires, restricted net assets are reclassified to net assets without donor restrictions.

NOTES TO FINANCIAL STATEMENTS

June 30, 2023 and 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES [cont'd]

Revenue Recognition

Home Sales – A portion of the Organization's revenue is derived from home sales during the year. Due to the nature of contracts, there is no variable consideration and only one performance obligation. Such revenue is conditional upon meeting certain performance obligations, and amounts received are recognized as revenue once the requirements have been met. Once construction is complete on a home and closing procedures have been completed, buyers take possession of the home, and the performance obligation is considered to have been met. Each house sold has a defined purchase price based on a third-party appraisal. Contracts are considered to have commercial substance as they all involve a signed promissory note, which is paid in accordance with the note terms.

ReStore Revenues – A portion of the Organization's revenue is derived from ReStore sales during the year. Such revenue is conditional upon meeting one performance obligation, the sale transaction is completed at a ReStore location, and amounts received are recognized as revenue once the sale has been made. Once the sale is made, customers take possession of the goods purchased. These transactions are considered to be contracts with customers as they have commercial substance through the transaction of cash payment in return for the goods purchased. Due to the nature of these transactions, there is no variable consideration and only one performance obligation.

Home repair sales – A portion of the Organization's revenue is derived from home repair sales during the year. Such revenue is conditional upon meeting one performance obligation, the sale transaction is completed at a client's home, and amounts received are recognized as revenue as the repair is completed. For many of the home repair projects completed, the cost associated with the repair is fully covered using grants or other contributions with no cost to the homeowner. The remainder of home repair sales are significantly discounted to achieve affordability for qualifying clients. Through March 21, 2022 these transactions were considered to be contracts with customers as they had commercial substance because they all involve a signed promissory note, which is paid in accordance with the note terms. Beginning March 22, 2022, the program was modified to remove the requirement of a promissory note for the cost of the project. Instead, a fee based on the homeowners income is collected prior to starting the project. Since the fee is unrelated to the cost of the project these fees are considered outside the scope of ASC 606 and instead are recognized as contributions in accordance with ASC 958-605.

Contributed Nonfinancial Assets and Services

Contributed services are recognized if the services received (a) create or enhance long-lived assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contributions of tangible assets are recognized at fair market value when received.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES [cont'd]

Contributed Nonfinancial Assets and Services [cont'd]

Details of the Organization's Contributed nonfinancial assets and services consisted of the following as of June 30:

	 2023	 2022	Usage
Restore inventory Land inventory	\$ 4,267,852 255,000	\$ 3,551,152	ReStore New home construction New home construction &
Other services and materials	 263,328	 179,421	supporting services
Total	\$ 4,786,180	\$ 3,730,573	

Contributions of ReStore inventory, land inventory, and other services and materials were valued using estimated average prices of identical or similar products or services using pricing data of similar products or services under a 'like-kind' methodology, considering the utility of the services and goods at the time of the contribution. No in-kind contributions were restricted. The Organization sells donated items received in the ReStore. The Organization does not sell donated material and only uses materials and services for its own program or supporting service activities.

Additionally, the Organization receives a significant amount of contributed time which does not meet the two recognition criteria described above. Accordingly, the value of this contributed time, an estimated 58,414 hours at a value of \$1,857,554 for the year ended June 30, 2023 and 45,297 hours at a value of \$1,356,645, for the year ended June 30, 2022, is not reflected in the accompanying financial statements.

Sales Tax

The State of North Carolina imposes a sales tax of 7% on all of the Organization's ReStore sales to nonexempt customers. The Organization collects that sales tax from customers and remits the entire amount to the State. The Organization's accounting policy is to include the tax collected and remitted to the State in revenue and cost of sales. The Organization's revenue and cost of sales of the ReStore included \$267,698 and \$238,079 in sales tax collected and remitted for the years ended June 30, 2023 and 2022, respectively.

Advertising

The Organization uses advertising to promote its programs among the audiences it serves. The production costs of advertising are expensed as incurred. Advertising costs totaled \$80,765 and \$73,243 for the years ended June 30, 2023 and 2022, respectively. The amount paid by the Organization is included in advertising and promotion and ReStore income, net of related expenses.

Functional Allocation of Expenses

The cost of program and supporting services have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES [cont'd]

Income Taxes

The Organization is tax-exempt under Internal Revenue Code Section 501(c)(3) and, as such, is not subject to income taxes on net income from exempt purposes. It is the Organization's policy to evaluate all tax positions to identify any that may be considered uncertain. All identified material tax positions are assessed and measured by a "more-likely-than-not" threshold to determine if the tax position is uncertain, and what, if any, effect the uncertain tax position may have on the financial statements. No material uncertain tax positions were identified for tax years 2022 and 2021. Currently, the statute of limitations remains open subsequent to and including tax year 2019; however, no examinations are in process or anticipated.

Concentration of Credit Risk

Financial instruments that potentially subject the Organization to credit risk consist of notes receivable that are secured by the residential property constructed with the proceeds. These undiscounted non-interest bearing notes receivable totaled \$20,660,920 and \$19,942,211 as of June 30, 2023 and 2022, respectively.

New Accounting Standards

Adopted

As of July 1, 2022, the Organization changed its accounting method for leases as a result of implementing the requirements in the Financial Accounting Standard Board's Accounting Standards Update (ASU) No. 2016-02, Leases (Topic 842) using the modified retrospective transition method. There was no cumulative effect adjustment to the Organization's statement of financial position as of July 1, 2022.

The new lease guidance requires the recognition of a right-of-use asset and a lease liability for operating leases. The Organization elected the package of practical expedients, which allowed, among other things, for not reassessing the lease classification or initial direct costs for existing leases. The Organization has not elected the hindsight practical expedient. The Organization has not elected the hindsight practical expedient. The Organization has elected not to record operating leases with a terms of 12 months or less on the statement of financial position.

As of July 1, 2022, \$347,771 in operating lease right-of-use assets and corresponding lease liabilities were recognized. Adoption of the new guidance did not have a significant impact to the statement of activities and net assets or the statement of cash flows for the year ended June 30, 2023.

Not Adopted as of June 30, 2023

In June 2016 the Financial Accounting Standards Board issued Accounting Standards Update No. 2016-13, Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments. This update introduces the current expected credit loss (CECL) model, which will require an entity to measure credit losses for certain financial instruments and financial assets, including trade receivables and loans receivable. Under this update, on initial recognition and at each reporting period, an entity will be required to recognize an allowance that reflects the entity's current estimate of credit losses expected to be incurred over the life of the financial instrument. Estimated credit losses under CECL will consider relevant information about past events, current conditions and reasonable and supportable forecasts, resulting in recognizion of lifetime expected credit losses upon loan origination. This update will be effective for the Organization for fiscal years beginning after July 1, 2023. The Organization is currently assessing the impact of this update on the Organization's financial statements and related disclosures.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES [cont'd]

Buncombe County Award

During the year ended June 30, 2020, Buncombe County awarded \$680,800 to the Organization who will use those funds to develop land, construct 38 homes, and provide direct buyer assistance to empower 38 low-income Buncombe County residents to become homeowners. These 38 homes are the initial construction in a neighborhood of 98 homes on 20.02 acres in western Buncombe County that the Organization will develop over multiple years. The 38 units under this contract will be completed by Spring 2023. As houses are completed, these funds will be shown in each sale as a subsidiary of \$16,700 for 24 homebuyer households in need of down payment assistance, and \$20,000 for 14 homebuyer households in need of down payment assistance funds (\$16,700 or \$20,000), which are secured by a lien on subject property, will provide direct affordability assistance to the homebuyer. During the year ended June 30, 2023, the Organization sold 16 houses and has \$723,719 invested in the remaining 10 homes. During the year ended June 30, 2022, the Organization sold 11 houses and had \$980,360 invested in the remaining 21 homes. Although the project is secured by a lien on the property to be released as homes are completed, it has been reflected as a grant recognized for the amount expected to be forgiven prior to legal release since the funds have been spent and there is no right of return. The forgivable principal remaining is \$100,00 and \$396,900 for the years ended June 30, 2022, respectively.

Subsequent Events

The Organization has evaluated events that have occurred after June 30, 2023 and prior to October 10, 2023 (the date of issuance) for potential recognition or disclosure in the financial statements.

2. ACQUISITION OF HABITAT AFFILIATE

In accordance with an agreement and plan of merger, that was effective October 25, 2021, the Organization filed Articles of Merger of Madison County Habitat for Humanity, Inc. into the Organization, No consideration was transferred by Asheville Area Habitat for Humanity, Inc. related to the transaction. Effective December 1, 2021, all assets and liabilities of Madison County Habitat for Humanity, Inc. were assumed by Asheville Area Habitat for Humanity, Inc. were assumed by Asheville Area Habitat for Humanity, Inc. were assumed by Asheville Area Habitat for Humanity, Inc. were assumed by Asheville Area Habitat for Humanity, Inc. were assumed by Asheville Area Habitat for Humanity, Inc. were assumed by Asheville Area Habitat for Humanity, Inc. strategically aligning allows the entity to further invest in land opportunities, leverage increased purchasing power, and reduce administrative costs.

Unconditional promises to give, net	\$	122,372	\$ 32,776

Promises to give receivable in more than one year are discounted at 5% when material.

The allowance for uncollectible amounts is based on an estimated amount that the Organization feels is reasonable.

6. MORTGAGES RECEIVABLE

All mortgage notes are receivable in monthly installments. In keeping with the stated purpose of the Organization, persons who purchase homes built by the Organization are not charged interest on their mortgage obligations. The implied market rate interest is considered to be a grant to the homeowner. Notes are amortized over various lives of between 20 and 30 years, and the notes are secured by the residential property sold to the homeowners.

Mortgages receivable are considered past due if a payment has not been received by the 15th of the month. A penalty or late fee of 4% of the monthly principal is assessed. The note holder is notified of the penalty by a past-due letter.

The total amount of net mortgages receivable was \$20,660,920 including discounted principal payments of \$10,644,449 as of June 30, 2023 and \$19,942,211 as of June 30, 2022, including discounted principal payments of \$10,270,436. The Organization is accounting for the credits as a conditional contribution under ASC 958-605. The Organization also applied for the credit for the quarter ended December 31, 2020, as of the date the financial were available to be issued notification of payment had not been received. The Organization will record the contribution once payment is assured.

19. FUNCTIONAL EXPENSES

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The departmental expenses that are allocated include those from the Communications, Human Resources, Finance and Office Administration departments. The expenses are allocated based on the number of employees and on the square footage of space used.

20. RETIREMENT PLAN

The Organization has a defined contribution retirement plan covering substantially all employees. Employees are eligible to participate in the plan after six months of service and reaching age 21. Employees become 100% vested after five years of service. Contributions provided to the plan for the year ended June 30, 2023 were \$324,195 which consisted of \$126,136 from the Organization and \$198,059 from employees. COMPLIANCE SECTION

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Asheville Area Habitat for Humanity, Inc. Asheville, North Carolina

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Asheville Area Habitat for Humanity, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2023 and the related statements of activities, changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 10, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Asheville Area Habitat for Humanity, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Asheville Area Habitat for Humanity, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Asheville Area Habitat for Humanity, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Asheville Area Habitat for Humanity, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors Asheville Area Habitat for Humanity, Inc. Asheville, North Carolina

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Asheville Area Habitat for Humanity, Inc.'s compliance with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on each of Asheville Area Habitat for Humanity, Inc.'s major federal programs for the year ended June 30, 2023. Asheville Area Habitat for Humanity, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, Asheville Area Habitat for Humanity, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Asheville Area Habitat for Humanity, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Asheville Area Habitat for Humanity, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Asheville Area Habitat for Humanity, Inc.'s federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Asheville Area Habitat for Humanity, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists.

Member of CPAmerica, Inc.

Page 2

The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Asheville Area Habitat for Humanity, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Asheville Area Habitat for Humanity, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Asheville Area Habitat for Humanity, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Asheville Area Habitat for Humanity, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance with a type of compliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Notes to the Schedule of Expenditures of Federal Awards

Note 1: Basis of Presentation

The accompanying schedule of expenditures of federal awards (SEFA) includes the federal grant activity of Asheville Area Habitat for Humanity, Inc. under the programs of the federal government for the year ended June 30, 2023. The information in this SEFA is presented in accordance with the requirements of *Title 2 US Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. Because the Schedule presents only a selected portion of the operations of Asheville Area Habitat for Humanity, Inc., it is not intended to and does not present the financial position, changes in net position, or cash flows of Asheville Area Habitat for Humanity, Inc.

Note 2: Summary of Significant Accounting Policies

Expenditures reported in the SEFA are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Asheville Area Habitat for Humanity, Inc. has elected not to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.
